# MINDFULLY ASSESS AND HIRE TOP TALENT

Our 90-min *Interviewing Practices Workshop* helps HR professionals and managers learn to mindfully identify and hire top talent and tune into implicit biases which may compromise a fair and just interview.

## WORKSHOP OUTCOMES

---

*Develop awareness of interviewer bias in order to clearly assess a candidate's potential*

*Learn a simple step-by-step interviewing approach (SAFER model)*

*Identify ways to create an optimal candidate experience by fostering a positive and compassionate environment*

*Understand your two roles in the interview process - representing the company and evaluating the candidate*

---

**100% OF  
PARTICIPANTS  
HAVE RATED THE  
WORKSHOP  
AS VALUABLE.**

*"This course is a game-changer that drives good hiring decisions and improves candidate experiences."*
